

2016 中文防癌講座 2016 Cancer Prevention Chinese Workshops

加拿大防癌協會希望透過社區教育和活動, 提高本地華人對防癌和定期檢查的認識。我們為區內小組提供免費中文講座, 與大家探討如何從日常生活習慣減低患癌的風險。

The Canadian Cancer Society aims to raise awareness of cancer prevention in the Chinese community. We provide free **Chinese cancer prevention workshop** to community groups.
